

413 Sundresses and Jumpers

Beginner Level

This project is for members with little or no sewing experience, or 8-10 years of age.

Members taking more than one clothing project in the same year need to meet specific guidelines available from the FCS Educator.

1. Construct a sundress or jumper (with or without top). Pantsuits, jumpsuits, skorts, split skirt jumpers, etc., require fitting skills that are beyond the beginner level and should **not** be made in this project.
2. Complete **Project Guidelines** Steps #1-4 as listed on Page 5 of the project book.
3. Bring to Interview Judging:
 - a. Completed project book.
 - b. Completed Style Review narrative card.
 - c. Completed outfit worn for the **"Total Look"** (page 28). If wearing a top under jumper, this may be purchased.
 - d. Pattern used for garment.
 - e. Bring a sample of understitching to Interview Judging or show an example of it on the garment you made.
4. Be prepared to discuss:
 - a. Information presented in project book.
 - b. Why you selected pattern and fabric.
 - c. Construction of garment.
 - d. Care of garment.
 - e. The two Learning Experience and two Leadership/Citizenship activities completed.

Note: 4-H'er needs to bring project on a hanger and will be given the time to put item(s) on for judging.

***Modeling is optional but required in order to receive project premium.**
