

494 Makeover My Space Intermediate or Higher Age Level

This project is intended for members with little or no design knowledge, but because of its scope, it is geared toward members at least 11-13 years of age or older.

This project may be repeated as long as a new space is redecorated and as long as new learning experiences and new skills are developed each time.

1. Complete all 10 project activities and all 4 Talking it Over pages as listed on Page 5 of the book. Design Challenge activities are optional. NOTE: You may use the project book to document your progress or you can create a separate design portfolio (see Page 4 notes).
2. Complete at least two (2) Learning Experiences (Page 6).
3. Complete at least two (2) Leadership/Citizenship activities (Page 7).
4. Bring to Interview Judging:
 - a. Before and after pictures of your redecorated space, along with a final budget. Your project may be showcased on a "design board" or in your design portfolio (see explanation on Page 7). Your name and club name need to be visible on the front of the display.
 - b. Neat and complete project book.
 - c. Be prepared to discuss:
 - i. Information presented in the project book and your experiences with the activities.
 - ii. Your experiences with your home redecorating project and design portfolio, if applicable.
 - iii. The Learning Experiences you chose to complement your project.
 - iv. The Leadership/Citizenship activities you took part in.
5. Exhibit in club's fair booth if you and your advisor so choose:
 - a. Display presented at Interview Judging showcasing before and after pictures of your redecorated space or another individual educational exhibit illustrating or describing some aspect of your project.
