

BREEDING RABBIT TATTOING / I.D. Date

- **June 22, 2023 from 6:00 to 8:00 p.m.**
- **Pike County Fairgrounds Beef Barn**

Dear Junior Fair Project Exhibitor;

Enclosed is a Breeding Rabbit Identification Form. If you are taking a breeding rabbit project, you must complete this form and bring it with you to the June animal identification day at the Pike County Fairgrounds.

All breeding rabbits must have a **legible tattoo in their ear or receive a tattoo on this date**. If your rabbit is already tattooed, paperwork must STILL be completed and on file at the Extension Office by the June deadline. At the fair, any animals not matching the information recorded on the Breeding Animal Identification Form, or not having legible tattoos, will be disqualified.

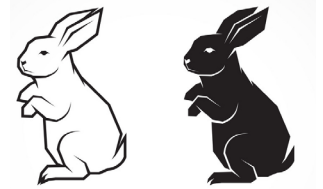

1. Junior fair exhibitors may show a maximum of two breeding rabbits per class.
2. Junior fair exhibitors may take a buck, doe, and/or doe and litter as breeding projects.
3. For a doe and litter project, the litter must not be less than 35 days old and not more than 56 days old by the first day of the fair each year.

Refer to the Pike County Fair Book or visit the OSUE webpage for a complete set of general livestock and species rules.

Sincerely,

Joy Bauman
